OUR STORY

Greetings,

Nilanjana Memorial nursing academy is getting to be the pioneer of nursing colleges under the leadership of Dr. Jonaki Pal, Founder, Secretary of the reputed institution. This college is affiliated to West Bengal University of Health Sciences, West Bengal Nursing Council under the Gov. of West Bengal. The primary objective of the college is to produce the efficient nurse to the society and promote the nurses to be a great citizen to our nation. This nursing programme is based on the sound educational objectives and principles for an effective outcome of the students.

Nilanjana Memorial Nursing Academy is dedicated to lay out the students with the best quality of educational that is centered more on the holistic development of every student by transforming innovative curriculum design, effective teaching methods including simulation learning with all modern teaching aids improving the students intellectual capacity with the help of efficient faculties and with the proper guidance and support of the divergent campus.

Vision

The College of Nursing, in keeping with the vision of the institution, strives to offer education of the highest grade in the art and science of Nursing, thus equipping men and women for service towards relief of suffering and promotion of health.

Mission

“Quality Nursing Care through Quality Nursing Education”

FROM THE DIRECTOR'S DESK

Knowledge gained through education has been the driving force for progress of mankind. Careernext Welfare Society being established in 2009, has been thriving its best to provide quality education. This coupled with human experience has helped to provide quality care. The workforce of nurses is an extremely vital component of healthcare and they act as direct interface between the hospital and patients. Working in a large tertiary care institute places several demands upon them for efficient discharge of their responsibilities.

I am sure that the courses of our institution fulfils the subjects for all the nursing manpower.

PRINCIPAL MESSAGE

Keeping in mind that to teach is to touch a life forever, we believe in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning.

Why us

WHY TO STUDY IN NURSING INSTITUTION UNDER W.B.N.C.

W.B.N.C. IS West Bengal Nursing Council is a Government body which recognises and regulated the GNM and B.Sc Nursing Course and Registers a learner to be a RECOGNISED NURSE. For details follow: [www. https://wbnc.in/](http://wbnc.in/)

CAREER PROSPECTS

1. Excellent Security, Salary, and Benefits

Nurses are always in demand. The U.S. Bureau of Labor Statistics (BLS) projects a 9% growth rate in the field between now and 2030. Many states are experiencing a nursing shortage, meaning lots of job opportunities. Hospitals and healthcare facilities need qualified nurses, and some even pay large sign-on bonuses for experienced nurses.

2. Flexible Schedule

Nursing positions often have flexible hours and scheduling. This can be an added benefit for parents and guardians. A nurse may have the option of 8-, 10-, or 12-hour shifts depending on the employer. Working 10- or 12-hour shifts decrease the days you work each week.

3. Rewarding Career Path

Nurses make a difference in the lives of their patients every day. Your knowledge and education also make a difference in the lives of your friends and family.

Ragging is a crime

CLINICAL PRACTICE AND ITS IMPORTANCE IN NURSING

Clinical experience help nursing students become accustomed to high-stress moments. This experience will enable them to hone their preparation skills and reflexes to ensure that they're ready for anything. Although no day as a nurse is the same, nurses often develop a routine.
